- 30 members were informed today that they are surpluse to region if you did not receive an e-mail, your position is safe at this time.
- This is a result of Doug Ford's announcement and funding reductions.
- We had to put the voluntary transfer on hold as there has been so many announcements made in regards to Education that we decided to wait until we see what is happening.
- This actually affected 113 DECEs but the Peel Board is funding to keep the remainder.

- There will be classes within the Board that only have 15 students and 1 teacher. No DECEs.
- Those who were excessed We are still in a paused position, we do not want any movement until we are fully aware of all the announcements and when the budget is released in April .
- We are hoping to commence the transfer process in mid to end April. We are in discussions of what this would look like. We suggested there be a rounds 1 and 2, followed by placement
- There will be no positions for casuals thus removing round 3. The Board has not agreed to this yet
